

Winner of the
"Best Digital
Information
Portal 2023"
by UNCTAD.

The single windows are tools used internationally to promote and facilitate investments.

According to Global Enterprise Registration portal of the United Nations Conference on Trade and Development (UNCTAD):¹

185 countries

have digital
information websites

100 countries

have digital
single windows

Mexico joins the best international practices for investment attraction, competitiveness improvement, and a good business environment.

The **Secretariat of Economy of Mexico**, created a facilitation of investments model compound by two tools (VUIMX and RUPI) to provide direct follow-up to domestic and foreign investors.²

MODEL BENEFITS

1 Legal certainty and transparency

2 Time efficiency for investors

3 Support in the establishment process

VUIMX®
VENTANILLA ÚNICA
PARA INVERSIONISTAS

It is a free public and inter organizational mechanism, providing guidance in the process of planning or setting of an investment.

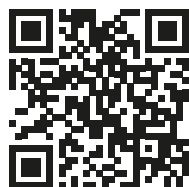

- ▶ A step-by-step digital information service on national procedures and regulations.
- ▶ Relevant information on México as an investment recipient country.
- ▶ Information and direct links to the different Mexican state portals.

VUI Contact

In this section investors can consult:

- ▶ Doubts about information related to specific procedures.
- ▶ Delays in the resolution of procedures.
- ▶ Comments or suggestions.

Scan the QR
or click on to visit
the VUI's website.
